

CONFIDENTIAL

10 September 1980

MEMORANDUM FOR: Chief, Policy and Plans Group

25X1
FROM:

[REDACTED]
Chief, Security Education Group

SUBJECT: DDA Weekly Log (U)

1. The Security Education Group has finished production of its first multimedia presentation in cooperation with the Safety Group. The finished product has been reviewed by the ADDA and the Director of Security and has been accorded high marks for the lively and entertaining method of presentation as well as content. (U)

2. As a result of several security updates presented to the Office of Communications, OC has issued another warning of threat to Agency employees from discussing classified information on non-secure telephones. (U)

3. As a result of attending the EEO staff meeting, several DDO area divisions have requested security updates for their office and are being scheduled as timely as can be done. (U)
